9/12-

1. Discuss GE02 assignment details. Find out what needs to be done and plan meetings and tasks accordingly.

   Meeting after class next class period

2. Get familiar with Django and find out where each teammembers knowledge and comfort level with Django

   None of us have started working on it yet

9/14-

Meeting after class. All of us are at different points in the assignment. We all got up to the point where we have to actually start developing the app. We will decide where we are all at on Tuesday and see if meeting up is necessary.
